

## Message from Dining Services

**The café is getting a makeover!** Here's a sneak peek at what's in store...

We're preparing for some exciting updates to our dining spaces! Soon, you'll be able to enjoy newly branded café stations, mobile Starbucks, grab-and-go options, and other fun offerings. You'll also experience the added convenience of paying directly at the stations. These delicious changes are just around the corner.

During this renovation period, the 3CC Café will be temporarily unavailable. The last day of service in the 3CC Café will be Friday, May 8<sup>th</sup>, 2026, but rest assured—we have you covered.

Beginning Monday, April 13<sup>th</sup>, 2026, you can find the offerings listed below in 1CC. Throughout this transition, we will continue to provide a variety of hot and cold options, including:

### Riverfront Café

- **La Colombe Coffee Station** – featuring locally loved blends from Fishtown in Philadelphia
- **Bread Works** – made-to-order sandwiches
- **Greens & Grains** – breakfast offerings include a yogurt bar, pastries, and fresh fruit; in the afternoon, enjoy a create-your-own salad bar with a warm protein and grain option
- **The Foundry** – traditional hot breakfast with a rotating daily special; in the afternoon, a rotating action station
- **Oatmeal & Soup Station** – offering daily oatmeal and soup selections
- **Dessert Station** – featuring a variety of sweet treats
- **Retail & Beverages** – stocked with your favorite snacks and drinks

In the Riverfront Cafe, you will experience the added convenience of paying directly at the stations. This new technology introduces sleek self-checkout kiosks, as well as the option to order ahead at the Bread Works for custom-crafted sandwiches using the eFeed app on your mobile device. Any item with a barcode can also be checked out directly from your mobile device.

### Starbucks

During the renovation, the Starbucks store in the 3CC lobby will be unavailable beginning Friday, April 24, 2026. Starting Monday, April 27, 2026, a mobile Starbucks cart will be available in the Link, offering the standard menu and seasonal favorites, including mobile ordering. To place a mobile order, search for **"SECURE ACCESS Walnut St"** in the Starbucks app.

### Relish by Ez Cater

With a temporary reduction in offerings, Relish by ezCater will be available to provide additional hot lunch options. Each day, there will be a rotating selection of restaurants to order from. Orders can be placed through the Relish app, with both your tip and delivery fees waived. Pickup racks will be located in the Riverfront Café.

### Farmers Fridge

Located in the Riverfront Cafe, you will find a Farmer's Fridge, stocked with fresh, healthy meals. Using the Farmer's Fridge app, you can view available offerings, take advantage of their rewards program, and skip the line by placing orders in advance to be reserved for pickup.

**Catering**

Planning an event? Our on-site catering team will continue to serve the building throughout the renovations.
