

EXPERIENCE

EVENTS

RA Group EXPERIENCE was developed in response to the shift towards the agile, 'anywhere' working model: a suite of **empowering virtual events**.

We have virtual team events ranging from Wine Tasting Experiences & Coffee Brewing masterclasses. More events to come later this year...

For booking enquiries, please contact:

IMPROVING THE REMOTE WORKING EXPERIENCE

❖ **CELEBRATE** Company Culture

Emphasise your values, no matter where you're working

❖ **FOSTER** Employee Wellness

Support healthy lifestyle choices at home

❖ **MOTIVATE** New Starters

Elevate the onboarding experience

❖ **PROMOTE** Team Building

Reward and incentivise your people

❖ **DELIGHT** Clients & Partners

Foster stronger relationships with premium hospitality experiences

❖ **ELEVATE** Online Meetings

Connect through exceptional food and drink

EXPERIENCE

EVENTS

Wine Tasting Experience – 45 minutes

Hosted by our Head Sommelier, Stephanie Robertson, and in partnership with the expert team at Jascots, our wine tasting experience provides participants with the basics of how to systematically taste wine: focusing on appearance, nose (smell) and palate.

An educational and fun experience that is tailored to participants and can be interactive or instructional as desired.

Wine selections are chosen in advance and can be tailored to specific areas of interest e.g. New World grapes, biodynamic wine, English producers, French classics.

Participants receive a tasting box in advance of the experience which includes sample size wine bottles (100ml), a personalised wine list with tasting notes and digital link to the event.

A choice of 6 - 12 sample wines (100ml each)

from £49.00 per head

Non and low-alcohol alternatives are available on request. Prices quoted are **not inclusive of VAT** at 20% and based on delivery to a mainland UK address.

EXPERIENCE

EVENTS

Coffee Brewing Masterclass – 30 minutes

coffee for
causes

Join RA Group's Head of Coffee & Community, Sonia Louro Carvalho (AST SCA Professional) for a 30-minute, virtual V60 coffee brewing masterclass.

Unlock professional brewing at home tips and tricks, supported by a live Q&A. All brewing equipment, including the V60, filters and coffee will be posted ahead of the session. This will enable those watching from home to 'brew along' with our expert.

RA Group's *Coffee for Causes* programme will be at the heart of this experience. Giving coffees with positive social impact stories, a platform to raise awareness and contributions.

Collaborative producers and blends include 'Ayelsbury Blend' from *Redemption Roasters*, 'Cafe Queero' from *Hej*, 'Orang Utan Coffee' and 'Project Waterfall' from *UCC Coffee* and 'Strongperson Espresso' from *Extract Coffee Roasters*.

V60 coffee masterclass

from £35.00 per head

Where required a decaf alternative can be arranged and will be just as great to taste. Guest speakers and specific causes available on request. Prices quoted are **not inclusive of VAT** at 20% and based on delivery to a mainland UK address.
